"...According to [], ex-Oberstleutnant RUDOLF, noted anti-tank expert on GUDERIAN's staff, belongs to the group of ranking East Zone police officials who were sent to the USSR in Fall of 1949 to attend a training course...
...2...Since 1943 he served on the Staff of General GUDERIAN as a specialist in tank defenses...
...3...The most obvious method of approach suggesting itself would be to obtain a letter of introduction from General GUDERIAN. Would it be possible to contact GUDERIAN through the Historical Section in order to establish how close the relationship that existed between him and RUDOLF was and to obtain such other data on his personal and military background which would assist us in devising the right kind of approach?
4...If you prefer the undersigned would be willing to talk to GUDERIAN, provided the necessary cover arrangements can be made from your end."
